Subject: PCBs: Pechiney - Update on USEPA's Conditional Approval

Hello, Linda:

I received your voice message concerning Pechiney. I believe there is a misunderstanding regarding the sharing of draft approval documents. Before signature and after thorough legal review I may call the cleanup party concerning the approval if necessary. Otherwise, the approval is signed and transmitted via e-mail.

On another subject still related to Pechiney, the president of the Pechiney Cast Plate is one of the signatories in the draft DTSC Order. Please confirm if this signatory is also the owner of the property at 3200 Fruitland Avenue in Vernon.

Thank you for your courtesies.

Regards,
Carmen

Hello, Linda:

If there is an actual Pechiney contact we would prefer to address our approval to that person. I understand that Pechiney is the actual owner of the property, or is Alcan also an owner?

Thank you for your courtesies and looking forward to your reply.

Regards,
Carmen

Carmen. Thanks for the update. Can the letter be addressed to a representative of the parent company (Alcan) rather than Pechiney?

Hello, Linda:

This message is to update you on the progress of our conditional approval for cleanup of PCBs at Pechiney. The draft approval will be submitted to management for review on May 7, 2010. I am in the process of completing that approval.

Please provide the name, address, and telephone number for the Pechiney property owner. We are addressing the letter to Pechiney's owner with copy to AMEC Geomatrix.

I appreciate your help.

Thank you for your courtesies. I look forward to your reply.
